POWER TOOL REPAIR

One thing that sets us apart from our competition is our repair shop. We service what we sell, and you can be assured your equipment is in good hands with Fastek.

From drills to saws, and everything in between, Fastek repairs it.

Even pneumatics like heavy duty timber nailers to upholstery staplers, gas powered or electric compressors (whether portable or stationary), drills, nailers, and powder actuated tools - we've got you covered.

BLADE SHARPENING & REPAIR

At Fastek, we can sharpen most cutting accessories; for diamond blades, replacement segments and tensioning, and for circular saw blades, sharpening, tensioning, and carbide tip replacement. Plus drill and cutter sharpening and repair.

PAYMENT OPTIONS

Fastek offers many payment options, including credit card, debit, commercial account set-up, and more. Download our in-house credit application online. Gift cards are also available.

If you don't see something, **ASK!** We have more than **250,000** items available in our off-site warehouse.
